

Easy Company SiteWorks Privacy Policy

We collect only data necessary to operate your website and subscription.

1. Information Collected

Business name, contact email, phone, address, billing data (via Stripe), authentication identifiers, uploaded assets.

2. Use of Data

To provide hosting, subscription management, styling updates, support, and site operation.

3. Data Retention

Data retained for one year post-cancellation for operational and legal purposes.

4. Sharing

We do not sell or share data. Stripe acts as a service provider. AWS hosts infrastructure.

5. Your Rights

You may request to access, correct, or delete data. Contact support@easycompanysiteworks.com.

6. Security

We use AWS Cognito, SSL, and industry-standard safeguards.

7. Children's Data

We do not serve or knowingly collect information from minors.
